PROGRAM INFORMATION

Artist in Communities provides opportunities that enable community-based organizations and professional artists/arts professionals to offer arts-related activities that are linked to local communities through partnerships. These partnerships are supported in forms of projects and residencies. Projects and residencies that come out of strong partnerships between the community organization and artist, that are developed, and that have well-planned objectives have higher success rates.

PROGRAM PURPOSE

Artists in Communities – Development provides small amounts of funding to organizations and/or professional artists or arts professionals to build relationships with potential partners, develop projects or residencies, and/or research community needs.

Partnerships between artists or arts professionals and community-based organizations do not have to be established to be eligible to apply for the Development stream.

GRANT AMOUNT

Community organizations, professional artists or arts professionals can apply for up to \$1,000 to support eligible expenses, and an additional amount related to artist travel if justified. Travel must be limited to within Saskatchewan and is intended for Saskatchewan artists only.

Applicants can only submit one application per deadline.

Funding for the Development stream is allocated each fiscal year (April 1 – March 31) and is assigned quarterly. Applications are accepted leading up to and including the 10th of March, June, September and December, with results announced within four weeks of each closing date.

ELIGIBILITY

Eligible Applicants

- The community organization must be based in the province of Saskatchewan.
- The community organization can be any incorporated for-profit company or non-profit community-based organization, e.g., business, institution, health care, justice facility, municipality, First Nation, Métis local, post-secondary institution, artists collective, Band Council, etc.
- Professional artists* and arts professionals are eligible to apply to this program if they meet SK Arts' definition of a professional artist or arts professional and are Saskatchewan residents.
- Applicants must be in good standing with SK Arts, i.e., have no overdue reporting on any prior grants on the submission deadline and when any grant payments are issued.
- Due to the four-week response time on these grants, SK Arts is only able to accept Development stream submissions in English. Applicants who find this challenging can request support from SK Arts' Accessibility Fund but are encouraged to contact their Program Consultant and **do this work well in advance** of the submission deadline.

**To be considered a professional artist, an individual must meet at least three of the following criteria in a manner appropriate to their art form:*

- *The individual has received training and/or acquired knowledge and experience in a manner typical for their art form.*
- *The individual has begun creating a body of work since the conclusion of that training.*
- *The individual has been recognized as professional by others working in the same art form.*

Ineligible Applicants

- Applicants who submit more than one application per deadline.
- Organizations that receive annual or multi-year funding from SK Arts, SaskCulture Inc., Sask Lotteries, Creative Saskatchewan and/or creative industry associations supported by Creative Saskatchewan, unless the proposed projects explore significantly **new** approaches for presenting and/or methods of expanding access within existing programs **and** the organization has no other open grants to the Artists in Communities program.
- Applicants who have outstanding reports for any previous grant received from SK Arts.
- Applicants whose submission to this program is incomplete.

Eligible Activities

- Development grants cannot be used to support activities that take place prior to the application submission deadline.
- SK Arts is committed to the professional status of the artist and won't fund projects in which artists are not paid for their work. ASSESSMENT

Applications are reviewed by a standing committee including program staff of SK Arts, community-engaged arts specialists, teachers and professional artists. Applications are assessed based on the ability of the proposed activity to address identified needs, the quality, achievability and appropriateness of the proposed activity and the potential of the activity to generate more arts engagement activities in the future.

REPORTS

Recipients of Development funds are required to submit a final report no later than 30 days after the project end date.

RECOGNITION OF FUNDERS
